Load King LK40 Air Compressor

- 40 CFM, up to 150 PSI
- 22.5 Gal Air Tank (Rear, Between Frame)
- 1/2" Moisture Separator / Regulator / Oiler
- 1/2" x 50' Hose Reel Kit w/ Guide

State-of-the-art aluminum CTECH drawer sets in front vertical compartments (driver side) and middle horizontal compartments

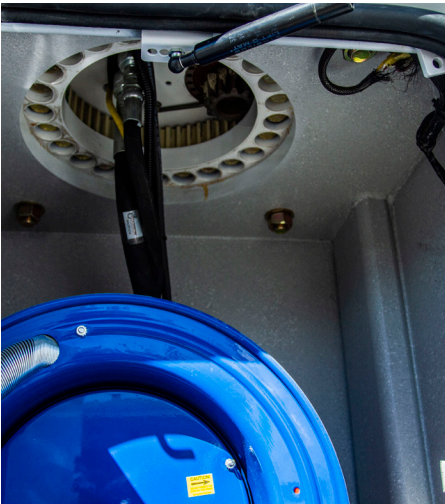

Load King LK40, 40 CFM air compressor offers up to 150 PSI w/ 22.5 gallon air tank, 1/2" x 50' hose reel kit and 1/2" moisture separator/regulator/oiler

Spray-in lining material inside entire bed, top of rear bumper, wheel chock compartments, front of body splash guard and entire body undercoating

Reel-mounted air hose protected behind hinged control panel in crane compartment for maximum compartment capacity and maintenance access

Sealed crane compartment design eliminates drain pan system. Crane mounting structure eliminates the load into the body.

Brilliant 1400 Lumens LED body work lights, w/ swiveling, load line-following, 2600 Lumens work light on the boom, for max work area visibility
